

## Swimming Pool Safety Plan for Foster Homes

### Volume 7.708.22B-11

#### Physical Requirements for a Safe and Adequate Family Foster Care Home states:

Safety issues related to swimming pools shall be assessed by the certification worker, addressed by the county or state health department as necessary, and documented in the case file.

**Rules for swimming pool use at the \_\_\_\_\_ foster home.**  
*Foster family name*

1. The swimming pool at the foster home will be properly maintained and be in good repair.
2. Foster children will be adequately supervised, at all times, when in or around the swimming pool.
3. Foster children will not be allowed to horseplay or have any dangerous behavior while in or around the swimming pool.
4. There will be a secure fence and gate surrounding the swimming pool, so that a foster child may not access the pool by him/herself.
5. The swimming pool will be properly drained and secured during the winter months.
6. The foster parent(s) will have **written permission** from the caseworker, of each foster child, to use the swimming pool.
